STRENGTHENING FAMILIES AND COMMUNITIES

For nearly 180 years the YMCA has been a movement with a mission - To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

At the Y, strengthening community is our cause. The Y serves three crucial areas of focus to help individuals, families and communities learn, grow, and thrive.

The Y is for Youth Development, because we believe that all kids deserve the opportunity to discover who they are and what they can achieve.

The Y is for Healthy Living, improving the nation's health and well-being.

The Y is for Social Responsibility, giving back and providing support for our neighbors.

The goal of the Initiative Program is to inspire youth to discover their passions, seek a healthy lifestyle and gain the 40 developmental assets needed to avoid risky behaviors as they pursue success in school and life.

Through knowledge and implementation of those developmental assets, this Initiative will help provide a framework for action that encourages middle school students to make a difference no matter who they are or what their life experiences are.

*There are five 5-week sessions available to participate in during the 2026-27 school year:

Sept 15-Oct 13

*Limited to first 10 students to register per session.

*Each child and parent/guardian will sign a letter of agreement stating what is expected of the youth registered in the program.
